Blue Mountains Football Club

Under 8s to Intermediates, including Girls teams

Team Grading/Muster – Days/Times – Version 3

Venue: GLENBROOK OVAL (opposite the Bowling Club)

Only players who have registered and paid their registration fee will be graded. Unfortunately, no exceptions can be made, due to insurance reasons.

*** ----- *** ----- ***

Parents/guardians/carers are reminded to remain at the venue whilst grading/muster is underway, as per the Club's Child Supervision Policy (https://bmfc.com.au/child-supervision/).

The Club President will speak with you all
and it is an opportunity for any queries you may have to be asked.

*** ----- *** ----- ***

Players must wear boots and shin pads to Grading Sessions.
Also, please bring a water bottle and sunscreen.

Players are to attend all Grading Sessions which are held
– please let us know on contact@bmfc.com.au if you won't be attending.

Usually 1–2 grading sessions are needed to assess players, and they will be held in the order of the dates specified below. **NOTE:** for contingency purposes, multiple dates are listed in case the Club has to cancel any grading session due to adverse weather conditions (e.g. too hot, too stormy).

Players are to attend the grading session(s) held by the Club – i.e. players are not able to attend a date of their choosing. Once enough grading sessions have been held for an age group, any remaining sessions will be cancelled.

In the event that a grading session is cancelled due to adverse weather, then the Club will give as much notice as possible via the Club's website, Facebook page and/or e-mail. The next grading session will then be held as per the next date/time listed.

In the event of multiple grading sessions being cancelled for age groups which require grading, and not enough grading sessions have been held, then the Grading Committee will make its recommendations in which team a player will be placed based on available information (e.g. any assessment from this year's grading; input from last year's coaches – written &/or verbal; the team the player was in last year).

*** ----- *** ----- ***

If player numbers in an age group indicate that only a Muster is needed, the below schedule will be updated to reflect this. Any updates will be made closer to the Grading/Muster weekends and advertised on the Club's website and Facebook page.

For players attending a Muster, they can wear whatever they like
– there are no player equipment requirements for a Muster.
However, players are welcome to wear boots & shin pads
and have a kick around with their teammates. Space will be available.

… continued overleaf
